

Environment Setup

IBM Cloud Account Creation

Team ID	PNT2022TMID04940
Project Name	Nutrition Assistant Application

HARIKRISHNAN M

The screenshot shows the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's name 'HARIKRISHNAN M's A...'. Below the navigation bar, the dashboard is divided into several sections. On the left, there's a 'Navigation Menu' with icons for various services. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services.), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel.), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes.), 'IBM Watson Knowledge Catalog' (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform.), and 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud.). Each card has a 'Getting started' button and a time estimate. Below the 'For you' section, there are four more sections: 'News' (with links to articles like 'IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management'), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (with a world map). On the right side, there's a user profile dropdown menu for 'HARIKRISHNAN M' with options for Profile, Log in to CLI and API, Privacy, Change theme, and Log out.
